## Information about working in Hessen

### Licence as a Medical Doctor with a medical education from outside Germany

Approbation als Ärztin/Arzt § 3 Bundesärzterordnung (BÄO) und Berufserlaubnis § 10 BÄO

Dear Sir or Madam,

Thank you for your interest to work as a physician in Hessen, Germany. Here are some information about the conditions and needs.

Working in Germany as a medical doctor requires a permanent licence (approbation) or a temporary restricted licence (Berufserlaubnis).

To start an application for licence you must need to meet the following basic prerequisites:

***Completely finished medical education verified by an official diploma, an academic record with marks and grades and a licence to work as a medical doctor without restrictions in your country.***

***Adequate German language skills, documented with a B2-certificate solely from Goethe-Institute and a German medical language certificate C1.***

***Substantiation or confirmation that you want to work especially in Hessen, normally proved by an **application for “Berufserlaubnis”**, signed by you and the staff department from a hospital in Hessen.***

#### Important information:

Each application for a licence will be verified individual and is a subject to charge.

The process begins, when the HLPUG is the competent authority for your application.

Within the process, there are other conditions to fulfil as *health certificate, police clearance certificate, certificate of good standing, etc.* For more information please have a look at our German information letter.
